# DEDICATION

In appreciation of their help to us in this and former years,  
we, the seniors of 1937 dedicate this, the  
third edition of "The Echo"  
to our parents.

Critz High School began in a one room log building about 1890. Later this building was replaced by a frame structure. In 1913 and 1914 a four room brick building was erected to replace the old one. Within three years it became necessary to increase the size of this building to eight rooms.

During 1920-1921 a four story brick structure was erected. This building serves as a dormitory for the girls, and provides class rooms for Home Economics, Commercial Training, and Science.

The Boys Dormitory was erected in 1927 by Mr. William N. Reynolds in honor of his father, Hardin William Reynolds. The first floor of this building is occupied by the Department of Agriculture, the second floor is an auditorium seating approximately six hundred people. The third floor serves as a boys dormitory and faculty apartments.

A new high school building is under construction which will provide a large library and four class rooms.

## SENIOR HISTORY

One morning in September 1933, twenty nine freshmen gathered on the grounds of H. R. M. S. When the bell rang they filed into the building to see what would happen. To our surprise and best advantage, we were placed under the resolute direction of Miss Maggie Joyce. We were full of fun and mischief, so it took Miss Joyee some time to make us realize what was before us.

During this year the freshmen and sophomores went on a picnic to the old Critz Mill. As the year rolled on quite a few dropped out. Only twenty three remained at the end of the year.

After an enjoyable vacation, we again started a step further toward our destination. Due to death and other misfortunes our number was reduced to eighteen. This time we were placed under the supervision of Miss Martha Anthony. We were beginning to learn what our high school work meant to us. We were glad to welcome another vacation and think of ourselves as juniors.

After another merry vacation we returned to gain more knowledge of this world and its ways. We, eighteen in number, were directed by Mr. Fred Price. Jolly juniors, we were. We won the honor of being the most well behaved class in school. The happiest event of the year was the Junior-Senior Picnic given at Mrs. Tompkins' spring. As the term came to a close, we realized that we would soon enter the role of dignified seniors.

As we entered the school doors for our senior year, we realized what was before us. Failing to feel the dignity which is rightfully ours, we struggled forward with Miss Mary Lee Martin as our homeroom teacher. The highlights of the year were the organization of the class and the exciting moment when our rings came. Then came "Bashful Mr. Bobbs," the senior play. Afterwards the juniors entertained the seniors with a banquet at Tuek's Palm Room. Last came our diplomas which were received amid a shower of tears.

## THE JUNIORS

A little band of freshmen all timid and shy  
Entered Critz High School in 1935,  
For a splendid education which the faculty could give,  
Striving for that mark each day as we lived.

A few dropped out, new ones came in.  
By working together we were determined to win.  
Each individual set for a goal,  
Not part of the way, but the whole.

There are eighteen Juniors, all full of life;  
With little worry from sorrow and strife,  
Battling on, eager to learn  
Something for the future when it comes our turn.

## HISTORY

On Friday, September 18, 1936 we, thirty-seven in all, stood before our commander. Each of us carrying the school banner and resolving to carry it far and wide. Forward we are marching, some with colors flying, others slowly falling behind, and some stopping altogether. As we go onward we hope to plant the banner at the goal of a successful education.

## H. R. M. S. ALUMNI ASSOCIATION

"A school is what its former students make it."

### TO THE H. R. M. S. SENIORS:

This year marks the tenth anniversary of our alumni association. We are happy to state at this time that we have over two hundred active members and that we are still living up to the ideals set forth by the organizer of our association, Mr. Camet B. Cox.

Each year we have met for the alumni banquet and the annual business meeting. We have made gifts to the school amounting to several hundred dollars and we have kept in touch with our members through correspondence. The group has stood by the principals and other officials when they needed the help of the association. Most of the members have worked hard to make our school one of the best in the State.

It is our wish that every senior of H. R. M. S. will join this loyal band and help us to make this association grow.

Bill Wood, President

## THE LAST LEAF

And if I should live to be  
The last leaf upon the tree  
In the Spring,  
Let them smile as I do now  
At the old forsaken bough  
Where I cling.
